All member contributions (whether you are employed or self-employed) are payable net of basic rate tax unless you tell us otherwise. If you do not want us to reclaim tax then please put the details in the member (gross) section.

We will reclaim basic rate tax from HM Revenue and Customs (HMRC) and credit it to the arrangement bank account. If the applicant is a higher rate tax payer, the difference between higher rate and basic rate tax can be reclaimed via self assessment. Please note that if you are paying contributions on behalf of the applicant you will not be entitled to reclaim the difference between higher rate and basic tax rate relief.

We are required to conduct identity verification checks on member and employer contributions. Please provide IDV documentation to support any employer contributions

Regular member or employer contributions may be paid by standing order but not by direct debit. Regular employer contributions are due by 19th of the month following this pay date.
