

THE talbotandmuir SIPP

Schedule of Fees and Services

This document helps you understand the fees for establishing and administering The Talbot and Muir SIPP (T&M SIPP). It also provides you with a comprehensive guide to all transaction costs, and answers frequently asked questions about our charges. All fees are subject to VAT.

Our objective is to be straightforward and fair – simple SIPPs with straightforward investments pay lower fees; clients with more complex requirements pay higher fees.

Annual fee overview

Allowable assets	Level one £199 pa	Level two £355 pa	Level three £800 pa
Metro Bank (default account)	✓	✓	✓
Single investment or investment portfolio	✓	✓	✓
Multiple investments or investment portfolios		✓	✓
Property			✓

Example scenarios

Getting started

An adviser recommends a SIPP for a client. The client has three pension funds with other providers which will all be transferred as cash. The client's adviser facilitates the transfer by obtaining the correct forms and liaising with the ceding schemes direct.

We establish the Talbot and Muir SIPP and set up a bank account. The other providers transfer their funds to Talbot and Muir, who deposits them in the SIPP bank account. The administrator tells the adviser when each fund has been transferred, the adviser then implements the investment strategy they have agreed with the client.

Initial costs	
SIPP establishment	Nil
Transfer in – adviser handling the forms or Origo Transfer Service	Nil
SIPP annual administration fee – in advance	£199 for a level one; or £355 for a level two
Total	£199 for a level one; or £355 for a level two
Ongoing costs	
SIPP annual administration fee	£199 for a level one; or £355 for a level two
Total per annum	£199 for a level one or £355 for a level two

Taking benefits

After several years, the client decides to start drawing benefits from his SIPP choosing to take his maximum allowed Pension Commencement Lump Sum along with an income, paid monthly. This is known as withdrawing income via Flexi-Access Drawdown.

Initial costs	
Establishing tranche of Flexi-Access Drawdown	£150
Annual Drawdown charge	£150
Total	£300
Ongoing costs	
SIPP annual administration fee	£199 for a level one; or £355 for a level two
Annual drawdown charge	£150
Total per annum	£349 for a level one; or £505 for a level two

Moving into property

The client then decides to purchase a commercial property, as he feels a regular rental income better suits his investment strategy now that he is drawing regular income. The adviser disinvests the existing investments, and the SIPP fund is used to acquire the client's chosen property. In addition to the SIPP fees, the client also expects to pay for a valuation, solicitor's fees and stamp duty (if applicable). These fees can all be settled from the SIPP fund. The annual property management fee covers various aspects of managing the property, including the invoicing and receipt of the rent from the tenant.

Initial cost for acquiring property	
Handling the purchase	£800
Pension fund borrowing	£400
Total	£1,200
Ongoing costs	
Property SIPP annual administration fee	£800
Annual Drawdown charge	£150
Total per annum	£950

All fees are subject to VAT

Detailed schedule of fees

Please also see the frequently asked questions, which also form part of this schedule of fees. All fees are subject to VAT.

Work to ensure compliance with change in pension legislation and regulation	Time costed	Upon completion of transaction
Establishment of bypass trust	£195	Upon completion of transaction
Annual meetings	£200 plus travel costs	Upon completion of transaction

Frequently asked questions about fees

References below to “we”, “us”, and “our” are to the SIPP administrator

Pension administration

What are the establishment fee and annual fees for?

The establishment of a SIPP includes opening the default SIPP bank account, verification that our application form is fully completed and signed (including correct anti-money laundering identification) and processing any initial contributions including the reclaim of tax where appropriate. Where the main application form is completed online we do not charge for establishment of the SIPP. Where a full paper application is submitted we will charge £150 to cover the additional processing work.

The annual fee includes the preparation of the reconciled annual statement, regular reconciliations during the year and fulfilling all regulatory requirements including all general communications.

No fees will be refunded in part or full when a transfer out is initiated. This includes but is not limited to establishment, annual, borrowing, property and income facility fees. Should the member decide not to proceed with the SIPP once it has been established, the establishment fee is still payable.

How are annual fees charged if I change level part way through the year?

Annual fees will be increased from the point that you move up a level to reflect the increased work involved in dealing with the SIPP. The additional fee will be calculated on a pro rata basis using whole weeks remaining in the SIPP year.

How do the fees for contributions work?

There are no fees for any contributions made at the point of the SIPP being established, whether they be single or establishing regular contributions by standing order. Once the SIPP has been established, a separate fee applies to additional single contributions as well as any changes to existing regular contributions in place.

How do the fees for the transfer in of cash benefits work?

If the adviser presents correctly completed discharge forms together with the SIPP application and is prepared to chase the ceding pension scheme up to the point of the transfer being executed, no transfer fee will apply. Alternatively if we arrange it we will charge £20 per transfer, and if handling multiple schemes transfers at the same time, this fee will be capped at £200. Our preferred option is to use the Origo transfer service as discharge forms are not required thus saving a transfer fee. The Origo transfer service is only available for cash transfers.

How do you charge for the transfer in of partially crystallised funds?

In order to accept the transfer in of partially crystallised funds, we will need to establish one plan to accept all the uncrystallised transfers and sub-plans for the crystallised benefits. Normal full establishment and annual administration fees will apply to the SIPP. Each sub-plan containing crystallised benefits will attract fees for Drawdown crystallisation.

What are your charges for going into Capped or Flexi- Access Drawdown for?

The establishment of Flexi-Access Drawdown fee includes valuing the SIPP, calculating any applicable PCLS, providing a benefit crystallisation certificate and any reporting requirements applicable at the time.

In addition an Annual Drawdown fee will be payable whether you are in Capped or Flexi-Access Drawdown. This fee covers the work required to reconcile and revalue the SIPP in accordance with legislation and then pay benefits, this also covers the administration of PAYE payroll, deduction of tax if required and making the appropriate returns to HMRC. Also included is the facility to vary the level and frequency of income payments.

For clients who elect to phase their Capped or Flexi-Access Drawdown an additional one off fee will be paid for each separate crystallisation. The additional tranche of Capped Drawdown fee also includes a recalculation of the maximum income as standard.

What are your charges for taking an Uncrystallised Funds Pension Lump Sum?

The charge for each Uncrystallised Funds Pension Lump Sum payment, includes calculating the amount payable, administration of PAYE payroll, deduction of tax if required and making the appropriate returns to HMRC as well as making the payment itself.

Investment-related fees

Is a single authorised unit trust/OEIC or TIP application for two funds considered one or two transactions?

This will count as one transaction. When we complete an application form for a directly held unit trust, OEIC, or insurance company TIP, we apply a transaction fee for each application, not fund. We will cap our charge at £200.00 (10 transactions) per scheme year.

Do your fees include the stockbroker's, etc, fees?

No, our investment transaction fees relate to the recording and reconciling of investment transactions by us and do not include stockbroker, investment manager or nominee fees and charges.

Property fees

How do you calculate fees for dealing with the purchase of property?

Our fee is fixed and reflects typically the amount of time spent on a property purchase. Through adopting this approach we acknowledge that more complex cases will typically result in more time being spent on the purchase, in these instances we will still charge our standard fee.

Borrowing

What are the fees if my SIPP borrows money?

Our fee is fixed and reflects typically the amount of time spent completing loan application forms and providing the lender with the information they require. Through adopting this approach we acknowledge that more complex cases will typically result in more time being spent dealing with the loan application; in these instances we will still charge our standard fee.

General

Do your fees increase?

On 1st June each year the SIPP annual administration fee and Property annual administration fee will increase in line with the rise in the Average Weekly Earnings (AWE) index over the previous year. If the AWE ceases to be published, or if the calculation of the AWE is altered we may substitute a comparable index. We may at any time increase or amend all or any of our fees or charges payable from your SIPP in such a manner as we may determine. We endeavour to ensure that our fees remain competitive for the benefit of our clients.

Do you receive any other income in relation to my SIPP?

Yes. Metro Bank will pay Talbot and Muir a fee based on the amount held on deposit with them. This is currently 0.70%. For example a deposit of £10,000.00 would generate a fee of £70.00 per annum payable to Talbot and Muir by Metro Bank. Your account will receive the full amount of interest quoted for the account type and amount on deposit. The payment of this fee will not reduce the published rate of interest paid on your Metro Bank deposit account.

Are there any other fees?

We reserve the right to charge for additional services on a time-cost basis relevant to the expertise and seniority of our staff involved.

Is there anything else I should know?

All expenses, charges, and outgoings whether in respect of the investments contained in your SIPP (including the costs of purchase, sale management, maintenance and valuation of freehold and leasehold properties, if any, and other investments) or other expenses however incurred shall be charged to your SIPP. In the event of a levy being made on us under the Financial Services Compensation Scheme or any levy or taxation being imposed on us or your SIPP under any statutory provision affecting the business of SIPP providers, operators, administrators or insurance companies, we may recover from your SIPP an amount equal to the proportion of such levy or taxation that we may reasonably determine. This will be on a basis similar to how the levy, tax, liability, charge or other payment has been calculated.

Glossary

Administration	The process of looking after the SIPP on an ongoing basis. This includes but is not limited to many things such as providing a reconciled annual statement, setting up any regular contributions or savings and reclaiming tax where appropriate.
Capped Drawdown	After the payment of any Pension Commencement Lump Sum an income paid with the residual fund. The income is limited to a maximum calculated with reference to the Government Actuaries Department Tables, age and fund value. Income is taxed at the member's marginal rate through the PAYE system.
Crystallisation	The act of starting to take benefits (Pension Commencement Lump Sum and/or income) from the SIPP. Also known as vesting.
Establishment	The creation of SIPP plan to the point where it is ready to be used.
Flexi-Access Drawdown	After the payment of any Pension Commencement Lump Sum an income paid with the residual fund. The income is not limited. Income is taxed at the member's marginal rate through the PAYE system.
In specie	Movement of an asset from one place to another without disinvesting into cash first.
Investment portfolio	A single investment account that holds multiple investments on behalf of the SIPP.
Lifetime annuity	A policy issued by an insurance company which provides a guaranteed income for life in exchange for a lump sum (your accumulated SIPP fund).
Transfer in	Transferring the value of pension benefits from an existing pension scheme to your SIPP either in cash or in specie.
Tax reclaim	In most cases pension contributions receive tax relief and we reclaim 20p from HM Revenue & Customs for each £1 you contribute personally to your pension. This is then added to your fund.
TIP	Trustee investment plan.
OEIC	Open ended investment company also known as a collective investment.
Uncrystallised Funds Pension Lump Sum (UFPLS)	A payment made from uncrystallised funds which consists of 25% tax free and 75% taxed income. Income is taxed at the member's marginal rate through the PAYE system.
