5. Cancellation rights

You can cancel a transfer payment into your SIPP within 30 days of us receiving your transfer payment.

During the 30 day period, your money will be invested as instructed by you and your adviser. If you decide to cancel the transfer, we will return the transfer payment, less any fall in the investments market value. We will try to return the transfer payment to the pension provider which it came from. However, the provider does not have to accept the transfer back. If this happens, we will arrange for the transfer to be sent to another pension provider of your choice.
