

Transfer Out Warranty

Please complete this form to transfer from your Talbot and Muir Self Invested Personal Pension (SIPP) to another registered pension scheme.

Transfer fees are payable both for cash and in specie transfers. Please refer to the Schedule of Fees for your plan which is available on our website www.talbotmuir.co.uk or request it from us.

We strongly recommend that you seek advice from a financial adviser regulated by the Financial Conduct Authority (FCA) or take guidance from the Government's MoneyHelper service before proceeding.

Whilst we will action any disinvestment request immediately, we will not be able to make any payment until all the regulatory requirements have been met. This includes, if applicable, confirmation that you have taken advice, received guidance from MoneyHelper, or chosen to opt out.

You must check and satisfy yourself that your chosen new scheme will be able to accommodate and honour your protected pension retirement age, if you have one.

4 Member Transfer Out Declaration

- I formally request a transfer to be made from the above plan(s) (less any outstanding fees) to the chosen receiving scheme.
- I understand that any cash elements of my transfer will be sent by BACS, unless I specifically request otherwise.
- I understand that all of the assets that make up my chosen transfer value will be disinvested and transferred as cash, except for those assets that cannot be sold or those that I have specifically nominated for a transfer in-specie, unless I have elected for my entire fund to be transferred in- specie.
- I understand that if I have elected for my fund to be transferred in-specie, it is my responsibility to check that the assets can be held by the chosen receiving investment firm and check whether they will carry out any share class conversions as part of the transfer.
- I agree that, should I require existing assets in my Talbot and Muir plan to be sold at a specific time or for a specific value, I will notify them using this form and will contact my investment manager to arrange the disinvestment myself.
- I understand that the ability to sell or transfer some assets, such as those held in fixed term bank accounts, may be limited and as a result the transfer of these assets may be delayed.

- I understand that the applicable investment transaction/transfer fees (whether payable to Talbot and Muir or to third parties) will be applied on any in specie transfers out of my Talbot and Muir plan. These will be paid from my fund without prior consultation with me or my adviser, unless I give prior instruction in writing to the contrary.
- I agree the transfer shall be sufficient to end any of my claims to pension benefits from the portion of the plan that is transferred.
- I understand that my transfer will only be completed if my chosen receiving scheme is capable of accepting the transfer and the receiving scheme provider has properly completed this form.
- I declare that to the best of my knowledge and belief, the statements made on this form and its attachments (whether in my handwriting or not) are correct and complete.
- I promise to take responsibility for any losses or expense that result from any untrue, misleading or inaccurate information that is given by me or on my behalf, on this form, or in respect of the transfer.
- If my Talbot and Muir plan is to be fully closed, I understand that if any further values are received by my SIPP after the transfer to my chosen receiving scheme has been made, these will be collected in a non-interest bearing account and transferred separately, after the initial transfer. I accept that, should such a payment be required, Talbot and Muir may take a charge from the value to be transferred to the receiving scheme.
- I authorise Talbot and Muir to request monies back from the receiving scheme, to cover any genuine costs that are incurred by my SIPP after my transfer out has been completed.
