

Small Self Administered Schemes

Schedule of Fees and Services

This document helps you understand the fees for establishing and administering a SSAS with Talbot and Muir. It also provides you with a complete guide to all transaction costs.

Establishment of scheme

- Preparation of application pack and governing documents
- Creation of scheme, systems, administration and trusts
- Setting up scheme bank account and processing application
- Technical advice
- Liaising with other professional advisors
- Online registration of Scheme Administrator

A one-off fee will be charged for the work undertaken, whilst considering the number of members and extent of work associated with incoming transfer values.

Scheme Takeover

We will provide an initial review and evaluation of an existing Small Self Administered Scheme free of charge.

Where a scheme appoints us as a new Scheme Administrator and Independent Trustee, a one off time costed fee is charged based on time spent and seniority of personnel involved. This includes guidance, the integration of scheme records, an amending deed to change the Independent Trustee, correspondence with HMRC, and re-registration of investments where appropriate.

Services included in our annual fee

- Provision of Independent Trustee and joint Scheme Administrator
- Reconciliation of banking transactions
- Record keeping
- Annual valuation of investments (excluding properties)
- Recovery of tax on investment income (where applicable)
- Preparation and submission of scheme returns where required
