3 MoneyHelper Guidance

The FCA requires us to tell you about a service called MoneyHelper.

MoneyHelper guidance.

MoneyHelper is a free, impartial service from the Government, which offers guidance to help you make an informed decision about what to do with your pension savings. This includes providing the different options available to you, in order to access your pension savings. Pensions guidance is delivered at an appointment with an independent pensions specialist, which you can choose to book yourself, or alternatively Talbot and Muir can arrange this on your behalf. You can also receive advice from a regulated financial adviser. Advisers may charge you for their services.

Please ensure you have read the MoneyHelper privacy policy, which is available on their website,
www.moneyhelper.org.uk/en/about-us/privacy-notice.

You can book online at www.moneyhelper.org.uk/pension-wise or call MoneyHelper on 0800 138 3944. Alternatively call us using the contact details on the last page and we'll book an appointment for you.

Please note that we are unable to arrange appointments with MoneyHelper for anyone below the age of 50 so these appointments would need to be arranged by you directly.

You can choose how much of your fund is paid by UFPLS, the payment will consist of 25% tax free lump sum and 75% taxed at your marginal rate.

If we do not already pay you an income you may incur emergency tax that will need to be reclaimed from HMRC at a later date.

Large withdrawals in a single year may mean you pay a higher rate of tax than you do now.

You will normally be entitled to 25% of the amount you crystallise as a tax-free pension commencement lump sum.

In addition to your pension commencement lump sum you are entitled to a taxable income, the maximum is calculated based on your fund value, age and tables provided by the Government Actuary's Department.

Income payments are made on 25th of each month (1st of each month for Attivo schemes, last working day of the month for TPP schemes).

If you already receive payments from this SIPP we need to know if you want the specified amount in addition to the current annual income payments or if this figure includes your current annual income payments.

You do not have to crystallise your whole fund in one go, this section allows you to give details of the amount you wish to crystallise at this time.

Pension Commencement Lump Sum may also be referred to as 'Tax Free Cash'. You will normally be entitled to 25% of the amount you crystallise as a tax-free pension commencement lump sum.

In addition to your pension commencement lump sum you are entitled to a taxable income, this is not restricted.

This is a two step process to ensure you have considered the investment options for your scheme.

Please note that we are unable to complete your benefit request until we have completed this additional process.

10 Important Information

GDPR (General Data Protection Regulation)

Personal data we collect from you or that you provide to us will be processed in accordance with our [Privacy Notice](#)

If this form is not completed fully we may be unable to process your request.

The date of your declaration below will be deemed to be the date of the crystallisation of your benefits, even if we receive your signed Benefit Options Payment Form after that date. For the purposes of determining your available Pension Commencement Lump Sum and your maximum allowable capped drawdown pension, the assets of your pension scheme will be valued as at the date of your declaration.

Under HMRC rules you may opt to receive any level of pension income up to your maximum allowable annual pension.

You should be fully aware of the charges applicable to the options you have chosen in relation to your SIPP with Talbot and Muir. Our full Schedule of Fees & Services is available on request, and can also be downloaded from our website at: www.talbotmuir.co.uk

Under HMRC rules we are required to value certain pension scheme assets on a "quarter up" basis. Where such a valuation cannot be provided free of charge by your current fund manager, stockbroker, etc., we will employ the services of a third party firm to provide a valuation as required. By signing the declaration below you are indicating your consent that we may deduct any charges involved in employing a third party firm to provide these valuations from your pension benefits, which will be separate from and in addition to our own administrative charges. Talbot and Muir Limited will not profit from this in any way, and the amount deducted from your pension benefits for these purposes will reflect only the cost of the valuation service provided by the third party firm.

11 Member Declaration

With regard to the options selected in sections 6 and 7, I acknowledge and request that:

- The scheme administrator makes the designations and pays the benefits instructed in this form. I acknowledge that the payment of any benefits from my fund will discharge the scheme administrator from any liabilities in respect of that part of the fund.
- The Scheme Administrator will ensure that the income taken from the fund designated for capped drawdown pension will be limited to the amount stipulated by the Government Actuary's Department.

- The Scheme Administrator will be responsible for operating a PAYE system of taxation to the income from arrangements designated for drawdown pension or UFPLS and will forward the necessary tax liability to HM Revenue & Customs.
- I am responsible for ensuring there are sufficient funds in my products bank account for the payment of any benefit and that the Scheme Administrator cannot be held responsible in the event of insufficient liquidity within the scheme to ensure payments are made when expected.
- Where I have chosen to access my benefits through flexi-access drawdown or UFPLS then I will become subject to the money purchase annual allowance (if I am not already) and as a result my annual allowance for money purchase contributions will be reduced.
- I confirm that Talbot and Muir Limited have provided me with no financial advice in relation to this transaction, and nor was any advice requested.
- I consent to Talbot and Muir Limited deducting from my pension benefits any costs whatsoever that may be incurred by them in carrying out my request.
- I also understand that Talbot and Muir may disclose to a third party such information about me as may be required by that third party to enable them to trace my whereabouts in the future should they be unable to do so and require their assistance.
- I declare that to the best of my knowledge and belief the statements made in all sections of this form (whether in my handwriting or not) are correct and complete. I understand that you may undertake a search with a reference agency for the purposes of verifying my identity, age, and bank account where applicable. To do so, the reference agency may check the details I supply against any particulars on any database (public or otherwise) to which they have access. A record of the search will be retained as an identity search.
- Where applicable, I authorise Talbot Muir to provide the details in section 3 to MoneyHelper.
- If electing for flexible drawdown, I have 30 days from the date Talbot and Muir authorise my request, in which I can cancel. If I decide to cancel my drawdown pension, I will be required to return any income Talbot and Muir have paid to me. Talbot and Muir will then wait for instructions from me or my adviser as to how to proceed. Any income returned to us will be held in the default bank account until further instructions are received.

Important: If you receive a pension commencement lump sum (also known as a tax free lump sum) payment and then cancel your drawdown, you may face significant tax charges. In HMRC's view, tax legislation prohibits the return of any tax-free lump sum that has been paid in connection with a designation to drawdown. If you cancel your drawdown instruction after receiving the lump sum, the lump sum payment will no longer be considered authorised. As a result, it will be treated as an unauthorised payment under tax legislation, and your pension may be subject to a tax charge of 70% of the amount received.

We strongly suggest you speak to your adviser before instructing any payment of benefits from your pension.

If you experience difficulties accessing any of our services due to personal circumstances, we may be able to make some adjustments to help you. Please provide us with details of your needs so we can assess any reasonable adjustments that we can make for you.

The information you provide will help us assess your requirements and make any reasonable adjustments to improve how we work and communicate with you.

We will require your express consent to process this information, and to enable us to share this data with other third parties where appropriate, e.g. investment firms or advisers, to help us and others to continue to meet your needs. Please could you kindly provide this below.

☐ I agree to my information being processed by Talbot and Muir Ltd, to include being shared and gathered between relevant third parties.

Please refer to our Group Privacy Notice, should you requires further guidance on how we collect and protect your personal information. This can be found at www.nucleusfinancial.com/privacy-notice or please ask you adviser or us for a copy.
